FOR IMMEDIATE RELEASE

March 4, 2010

This weekend

SH 360 detoured at SH 180/Division St.

Alternate routes are encouraged

WHERE: North and southbound State Highway 360 in Arlington at State Highway 180

WHEN: Friday, March 5, 8 p.m. to Monday, March 8, 5 a.m.

WHAT: Motorists on north and southbound SH 360 will be reduced to one lane and detoured from the highway at SH 180 to place bridge beams for the new SH 180 bridges over SH 360. *Motorists are encouraged to seek alternate routes.*

During construction, northbound motorists will exit at Abram Street. After exiting, traffic will be directed east along Abram Street to Great Southwest Parkway where motorists will cross the Union Pacific Railroad. Detoured motorists will travel westbound on SH 180/Division Street to return to SH 360.

Southbound traffic will exit at SH 180/Division Street. After exiting, traffic will be directed west along SH 180/Division Street to Stadium Drive where motorists will cross the Union Pacific Railroad. Detoured motorists will travel eastbound on Abram Street to return to SH 360.

The following weekend SH 360 will be closed from Friday, March 12, 8 p.m. to Saturday, March 13, 5 p.m. for the installation of deck panels on the new SH180/Division Street and Union Pacific Railroad bridges spanning SH 360.

The construction is part of the \$56 million project that is reconstructing the Division Street bridge and the railroad bridge. Included in the construction is the addition of shoulders on SH 360, improved ramp access at Division Street and new continuous frontage roads under the rail lines. Completion of the project is scheduled for early winter 2012.
